Ms. Simeone,

You may recall that at a recent status conference Judge Sorokin asked me to reach out to two former State Street inhouse lawyers, Simone Paul and Krystyna Beck, and counsel for a former associate of one of State Street's outside counsel, Sarah Lewis, to share his views and encouragement that they voluntarily testify via videoconference. I'm not sure how the Court wanted me to report back, and thought that you might pass on this note.

Each of these women carefully considered the Court's request and took some time to think about it. Each has, however, declined to participate.

Thank you,

John
